## Training the Whole Horse<sup>®</sup> Adds FAST TRACK Option To the Certified Mastery Program

The *Training the Whole Horse*<sup>®</sup> Certified Mastery Program is in full swing with Missy Wryn at the Natural Horsemanship Center of Oregon. As the economical crash wiped out the perception of security in the traditional job markets, many people are turning to their passions for new creative self-employment opportunities. With the added FAST TRACK option, people who are seeking to learn and teach Missy's gentle bitless methods can now get moving into their horse careers in less time, but with the same depth of knowledge and experience as the traditional Certified Mastery Program offers. Both the traditional and the FAST TRACK programs are available including accommodations on site at the Natural Horsemanship Center of Oregon.
