Missy Wryn's ALL-IN-ONE Training Halter Bitless Bridle ADDS an Adjustable Browband for a Custom Fit

Missy Wryn's ALL-IN-ONE Training Halter Bitless Bridle has a new look and added functionality with the first adjustable leather browband without clasps or hooks. "My little Arab/Appy carries his head in a naturally collected position which made it necessary to add a browband to his All-In-One Training Halter Bitless Bridle. But the problem was all the standard adjustable browbands on the market use clasps or hooks making it either too big or too tight. I wanted something easy that I could put on and adjust perfectly to each individual horse so I came up with a browband that uses modern technology "Velcro". It's so easy to add the adjustable browband to the All-In-One and it fits perfectly every time for every horse" Missy says.

The adjustable browband will be part of every All-In-One starting February and sold separately too. For the tack shop or feed store that carries Missy Wryn's All-In-One nearest you visit www.WHolisticHorsemanship.com, or call toll free 866-821-0374.
