Horse Training Intensives Presented by Missy Wryn

Missy Wryn launches horse training “INTENSIVES” teaching horse owners side-by-side with their horse, techniques for *A Safer Horse on the Ground and Under Saddle*, *Safer Riding IRON FREE (bitless)*, *Solving the Problem Horse* and *Starting Your Horse Under Saddle*. The training Intensives range from 1 day to 6 day sessions at Missy’s facility the Natural Horsemanship Center of Oregon.

“Horse owners are increasingly committed to working and training their own horses and sometimes they need a little more than a video or a book to help them over the hurdles”, Missy adds. “My “INTENSIVES” are specially designed to equip the horse owner with techniques and skills that address their specific needs and issues. Horse and owner learn together in the warmth and compassion of my facility with a covered arena and overnight accommodations for the horse”. With registration each “INTENSIVES” horse receives first class full care including a stall, 24/7 access to 100’+ paddock, top quality hay with feeding four times a day and numerous stall and paddock cleanings throughout the day. A local hotel just five miles from Missy’s center offers clean and reasonable priced accommodations for participants.
