Are NOW Available at Missy Wryn's www.NaturalBarn.com

"I am honored to make available Kim McElroy's *Secrets of Drawing Horses* DVD, her beautiful *Way of the Horse Journal* and her collaborative work with Linda Kohanov *Way of the Horse Book & Cards*" chimes Missy Wryn. "Kim has a spiritual connection with horses that touches me deeply so I share the *Way of the Horse Book & Cards* during lunch breaks at my clinics. My students find a card that touches them in some unique unspoken way, read Linda's moving words and find themselves catching their breath or tears well up in their eyes. I know how powerful art can be so having the art of words by Linda Kohanov and Kim's art in the form of cards is such a wonderful combination whether a horse owner or not".
